2								
3								
4								
5								
6								
7								
8								
9								
Total								

Six-card default: A = 1 | 2 = -2 | 3-10 = face value | J/Q = 10 | K = 0 | No jokers

Two matching ranks in a vertical column score 0, including two Twos. Add the three column scores.

The hole ends as soon as a player exposes all six cards. Other versions and house rules change scoring.

Golf | 18-hole score sheet

Lowest total wins. Write each player's hole score, then add the column at the end.
